

# FOI Request - 20180005

## Request

Question 3 – How many alleged offences have been caught by this camera over the last 15 years and the average speed at which the speed limit was being exceeded. The information should be broken down into years.

## Response

Due to a recent computer system software change, and the inability to access data before 29th July 2016, we are only able to provide full data after 29th July 2016.

The data is as follows:-

### A616T East from 80m past A6102 exit for 2.2km, Barnsley

Offences Detected 2016	Offences Detected 2017	Offences Detected 2018
1818	4005	204

### A616T East from 80m past A6102 exit for 2.2km, Barnsley

Speed 2016	Speed 2017	Speed 2018
70.046	70.043	69.891
